DIMA

Dipartimento di Matematica

Second Symposium on Analytic Number Theory

Cetraro (Italy), July 8-12, 2019

Organizers: D. Bazzanella, S. Bettin, A. Perelli

Invited speakers

A. Booker
University of Bristol

J. Brüdern
Universität Göttingen

B. Conrey
American Institute of Mathematics

C. Dartyge
Université de Lorraine

C. David
Concordia University

R. de la Breteche
Université Paris Diderot-Paris 7

S. Drappeau
Aix-Marseille Université

K. Ford
University of Illinois at Urbana-Champaign

D. Goldfeld
Columbia University

A. Granville
Université de Montréal

A. Harper
University of Warwick

H. Iwaniec
Rutgers University

J. Kaczorowski
Adam Mickiewicz University, Poznań

J. Keating
University of Bristol

D. Koukoulopoulos
Université de Montréal

E. Kowalski
ETH Zürich

J. Liu
Shandong University

L. Matthiesen
KTH Royal Institute of Technology in Stockholm

J. Maynard
University of Oxford

P. Michel
EPFL Lausanne

L. Pierce
Duke University

J. Pintz
Alfréd Rényi Institute of Mathematics

M. Radziwiłł
California Institute of Technology

Z. Rudnick
Tel Aviv University

N. Snaith
University of Bristol

K. Soundararajan
Stanford University

G. Tenenbaum
Université de Lorraine

Grand Hotel San Michele, Contrada Bosco 30, 87022 - Cetraro (CS), Italy

Supported by Foundation Compositio Mathematica, Istituto Nazionale di Alta Matematica "Francesco Severi" and GNAMPA - INdAM Gruppo Nazionale per l'Analisi Matematica, la Probabilità e le loro Applicazioni
